

Wedding Request Form

Important information The pastors at Evangel Pentecostal Assembly are committed to building solid marriages that will last a lifetime. As such, **it is mandatory that all couples getting married at Evangel attend the pre-marriage counseling** course entitled "*Marriage Foundations*".

The cost of this course is \$125 which goes to help cover the cost of all the books and materials you will receive. **No wedding date will be booked at Evangel until the pre-marriage course has been paid in full.** If the only premarital course you are able to attend occurs after your wedding date, then you must make alternative arrangements with the course instructor. You will still be required to pay for the course when you book the church. No portion of the \$125 fee is refundable.

Evangel's regular facility fee is \$650.00 and includes the use of the building, the presiding pastor, audio personal and wedding coordinator. Note that this includes both the wedding and rehearsal.

Please provide the following information and email it to our facility coordinator, Darlene Obenauer, at darleneo@evangel.info. Darlene will be in contact with you shortly to discuss and assist you in your wedding plans.
